INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 41969-FC3S1

You are hereby notified that the Indiana Utility Regulatory Commission has, on this date, caused the following entry to be made:

On January 20, 2004, the Intervenor, Citizens-Industrial Group, the Office of the Utility Consumer Counselor, and Citizens Thermal Energy filed their Joint Motion to continue the hearing in this matter set for January 22, 2004.

The Motion recites that the parties have been conducting settlement negotiations and reasonably require additional time to continue and conclude those discussions, and that an extension of time of sixty (60) days would either allow them to resolve their settlement discussions, or, narrow the issues to be heard at trial in this Cause.

The Presiding Officers, being sufficiently advised, find that the parties are granted a limited extension of time, and this matter is **continued to Monday, March 1, 2004, at 9:30 a.m.** in Room E306 in the offices of the Commission.

IT IS SO ORDERED.
